

PERSONAL MISSALETTE

The worship materials that we use at Mass help each member of the Assembly to participate in the Liturgy. Use of the missal helps you to stay engaged in the Liturgy during Mass, deepens your prayer, and creates a sense of community. While we can't sing together in church during the Pandemic, your personal missal can be used to sing along with the music if you are viewing from home.

So, in order to keep our faith community safe and healthy, we're inviting parishioners to have their own personal copies of our parish's missal, Breaking Bread. These can be used when viewing the live-streamed Mass at home or to quietly follow along during in person Mass. The suggested donation for each missal is \$10.00. Your personal copy that will have a label for your name can be obtained from Holy Cross Liturgy Office or can be safely delivered to your front porch if you would prefer. For more information, or to obtain your personal copy, please call 831-423-4973 or email Missalette@aol.com
